Hello darkness, my old friend
I've come to talk with you again
Because a vision softly creeping
Left its seeds while I was sleeping
And the vision that was planted in my brain
Still remains
Within the sound of silence

Translation

(Beloved! In your lap
I desire to be a beautiful lute,
and wish to be a lotus in your hand.
Wishes are imagined horizon that
tremor clouds of peacock
for the pearl in their wings.

The hearty grass stretches its hands
in vain.
The ponds are dream of
a painter painting pictures in the sky,
But the goblet in his hands is filled with
honey for which we lengthen our hands
in vain.)
